

Dear Headteacher

We are pleased to inform you that we have another selection of Theme Days created especially for 2017/18.

We have provided your Cook / Supervisor with a pack of promotional materials and requested that they liaise with you regarding the events as the year progresses. You may wish to change dates to fit in with the lesson plans and other events in school. The promotional materials will be displayed in the information point within your school.

I hope that our Theme Days are a success at your school – thanks for your on-going support.

Sally Davies – Assistant School Meals and Catering Services Manager
